That bloody cross-shaped scar
The bloody contrast with Chris' collarbone, against his pale skin is shocking
...
A fire burned scar

Heh.
EXCUSE ME, MISS, AREN'T YOU A BIT TOO VIOLENT,
I ACTUALLY RIPPED YOUR BUTTON OUT...
OH. SORRY...
BUT THAT LARGE CROSS-SHAPED SCAR IS...
I FELL.
YOU DON'T GET SUCH A PRECISE HUGE CROSS-SHAPED SCAR MARK BY JUST FALLING...
Do you take me for a three year old?
IT'S TRUE,
LAST NIGHT I WENT OUT FOR A BRISK WALK AND I ACCIDENTALLY FELL ON A GRAVE MARKER...
BUT THE SIZE OF THE MARK ON YOUR BODY DOESN'T MATCH THE SIZE OF A GRAVE MARKER'S CROSS...
WELL, EVEN GRAVE MARKERS COME IN DIFFERENT SIZES, RIGHT...
Why are you so suspicious of me?

This wound doesn't seem like it's from an accident, more like it was inflicted.
THIS LOOKS SERIOUS... I THOUGHT ALL VAMPIRES HAD EXTRAORDINARY HEALING POWERS.
TAKE OFF YOUR SHIRT.
I'LL HELP YOU PUT ON SOME MEDICINE.
I SAY...
YOU DON'T NEED TO APPLY MEDICINE, THIS KIND OF MINOR INJURY IS REALLY NOTHING
Friendship Scans
NO WAY!
BEFORE THE WOUND IS INFECTED, YOU HAVE TO CLEAN IT, OR ELSE IT WILL GET WORSE!

Let me recall... The previous time when I was cleaning someone's wound...
This feeling it's like it has happened before...
Seems like it was a long time ago...
The last time it happened...
Ah
chris.
chris
I remember someone from the past...
Ah! You're finally home!
Where were you the entire night? I was so worried!
And all those events of the past...

Really ...
Why don't you ever listen to me?
Did you run off to the Church Territory again?
I... I'm home...
Sor... Sorry..
How many times do I have to tell you, young vampires like yourself need to stay away from the humans in the Church.
Those humans mercilessly kill our kind.
GRIP
Let me help you clean your wounds.
If you aren't careful, you will be killed!
Come.

Yes,
Chris,
I brought you some water. How do you feel now?
Ugh
It hurts
The sensation of the skin tearing is much worse.
Even the healing ability of vampires cannot heal these tears that efficiently
How

It's silver...
When silver enters our bloodstream, the harm it causes will be stronger than our healing ability.
Did you know... Lately, the Church has been kidnapping our kind to test the effect of silver on us...
They have found out that silver leaves a mark on us, and the pain inflicted is as painful as what you are experiencing right now...
The Church has finally found a weapon against our immortality...

Those humans who are always talking about their gods and their sense of justice...
What about our brethren who were kidnapped?
.....
No matter what, using them for experimentation is too cruel.
Are they still locked up in there?
Is this their justice?
AHHHHHH!!
Owww-ww!!
It's hurts! Be gentler!

Done.
Eh?
This is
Why does it stop hurting after applying this?
The feeling is so weird

This is the human method of cleansing the wound
Being born as a vampire, you probably wouldn't know, but if you ever come across any wound that doesn't heal in a short period of time, you can use this method of healing.
AH, ALL DONE
NEXT TIME IF YOU ARE EVER HURT, DON'T FORGET TO CLEAN YOUR WOUND!
ALTHOUGH...

I THOUGHT VAMPIRES COULDN'T GET INJURED, AND I DON'T KNOW IF THIS METHOD WILL HELP YOU HEAL IN ANY WAY,
BUT I THINK AS LONG AS IT IS AN INJURY,
BEING CAREFUL WITH YOUR WOUND SHOULD HELP IT RECOVER QUICKER, YEAH?
Immortality doesn't mean we will never get hurt...
Our eternal life, in front of death, is only just ashes.
